

GlobalHealth

In addition to Connecture through AGA, you can also perform an assisted telephonic enrollment with the help of GlobalHealth. A call center representative will complete the enrollment on your behalf and list you as the agent of record.

Assisted Telephonic Enrollment

1. Call **855-455-7060** with the beneficiary on the line
 - a. Monday-Friday, 8:00 a.m. – 8:00 p.m., CST
2. A GlobalHealth representative will answer to assist you
3. Introduce both yourself, including your agent writing number, as well as your client
4. The GlobalHealth representative will take it from that point as he/she walks through the enrollment and enters into our system, Connecture

Important Notes

- AGA will not receive a copy of the enrollment, or member data, when submitted via an assisted telephone enrollment
- No member data will be displayed in your GAIN agent portal
